Sir:

In response to the Office Action mailed August 22, 2003,  
Applicants elect as required certain claims for examination, and  
respectfully request consideration of the remarks that follow:

ELECTION OF CLAIMS

In the Office Action, Election of Claims between a process of determining tension (claims 1-8 and 16-19) and a method of production of a paper web (claims 9-15 and 20-24) was required. Applicants hereby elect, without traverse, claims 1-8 and 16-19 for initial prosecution. Applicants reserve the right to prosecute subsequently the non-elected claims without prejudice or disclaimer.

This election will cause a change in inventorship in the present application. Applicants will correct the inventorship in the present application as soon as possible.

In view of the above election, Applicants respectfully request examination of the present application and the timely allowance of the pending claims. The Examiner is encouraged to contact the undersigned in regards to any questions concerning this matter, or if any additional information is needed.

Respectfully submitted,
